

Press release 20 December 2021

## **MUNTERS MOVES TO THE LARGE CAP SEGMENT**

**As of 3 January 2022, Munters will be moved to Nasdaq Stockholm's Large Cap segment. The Large Cap segment includes companies with a market capitalization of more than EUR 1 billion.**

Munters is a global leader in energy efficient and sustainable climate solutions and offers solutions to industries where controlling temperature and humidity often is mission critical. Munters listed on Nasdaq Stockholm 19 May, 2017. In the third quarter 2021, Munters reported strong order intake of more than SEK 8 billion and net sales of over SEK 7 billion for the last twelve months.

"The move to the Large Cap segment is an important step for Munters and a confirmation of our ability to create value through our attractive portfolio of innovative and energy efficient climate solutions", comments Klas Forsström, President and CEO of Munters.
